

Shakamak State Park

One of Indiana's Summer Hot Spots

**Shakamak State Park has
been making summer
memories for Hoosier kids
for generations.**

Major renovations on Shakamak's camping facilities were completed with help from the Department of Natural Resources.

**Now many more generations of church groups, 4-H Clubs
and Girl Scout Troops can benefit from Shakamak's
beauty.**

Dan Bortner is on hand to dedicate the new camp ground facilities. Renovations and expansions will open the park to thousands of young Hoosiers.

**These girls are learning to love Shakamak
like Lt. Governor Skillman did when she was
their age.**

Everyone had a memory to share, especially some of the dedicated staff who keep Shakamak up and running.

The future of our state is in the hands of young Hoosiers. They deserve every opportunity to grow and develop their character. Shakamak is helping Indiana's youth become the leaders of tomorrow.
